4. Enrollment and Approval of External Accounts

You may enroll for the External Transfer feature within the Internet Banking Service. As part of the enrollment process, you will need to request approval of each External Account that you wish to use for the External Transfer service. You agree that you will only attempt to register accounts for which you have the authority to transfer funds.

5. Fees

Refer to our Service Charges and General Information disclosure for any fees that may apply for this service.

Transfer fees may or may not apply to External Transfers.

A. Inbound Transfers:

There is no fee for transferring funds into the bank.

B. Outbound Transfers:

A fee may apply for transferring money to External Accounts. Refer to the Bank's Service Charge and General Information disclosure for fee information.

6. Processing External Transfers

Most Inbound and Outbound Transfers will be considered next-day transfers. However, we reserve the right to process any transaction as a Three (3) Business Day transfer.

An External Transfer request remains in "processing" status until fully processed. Transfers in "processing" status will appear in "Transfer History" within the Transfer tab in the Internet Banking service.

Next-Day Transfers are only in "processing" status, until the close of the next business day after the transfer request is initiated.

3-Business-Day Transfers typically remain in "processing" status until the close of the third business day after the transfer request is initiated.

7. Transactional Limits

Transactional Dollar limits may be imposed for In-Bound and Out-bound Transfers. These limits will be disclosed to you upon approval of your External Account(s).

Any dollar limits imposed will apply to the total of all transfers to a specific External Account on any given day. Any transfer initiated on a day that is not a business day, as defined within our Internet Banking Agreement, counts toward the applicable limit for the next business day.

8. Editing or Canceling External Transfers.

Pre-Scheduled External Transfer requests can be edited or canceled prior to Cut-Off Time on the scheduled processing date. After Cut-Off Time the External Transfer request is submitted to First National Bank and Trust Company of Ardmore and its service provider(s) for processing and we will not have sufficient time to respond to any cancellation requests.

9. Service Termination and Changes in Dollar Limits

You agree we may cancel your access to the External Transfer service, without prior notice, upon the occurrence of any of the following events, or any other event that creates an unanticipated liability for this Institution:
